## Grand Knight's Message

**WGK Martin Perez**

**My Dear  
Brothers:**  
Let me  
begin by  
stating how

honored I am to serve again as your Grand Knight for Fraternal year 2020 - 2021. I look forward to building upon our past success as we work together to serve and grow with our parish community. I also want to thank our previous year's Officers and Program Directors. As a result of this leadership, our Council had an outstanding year, especially given the challenges we all faced due to COVID 19. We met all our membership, insurance, and service objectives, resulting in our council's being recognized as a Star Council. This is a wonderful acknowledgement of your accomplishments and efforts as a Council.

Congratulations to all of you on this wonderful recognition.

We will again have many opportunities to make a

difference in our parish community by engaging and supporting our Faith in Action programs. I would strongly encourage each knight to take an active role in one of the programs (Faith, Family, Community and Life) in which you have a passion for. Each of you brings unique skills and experiences, which will allow you to make valuable contributions to our community. There are many ways to contribute, so please consider volunteering to be a Program chairman, Director or an active participant. I challenge you to participate in a minimum of one meeting per quarter (all would be great) and to engage in at least one service program this year.

While the Knights of Columbus do some fundraising, we are first and foremost a Catholic service organization that Pope St. John Paul II referred to famously as "*the strong right arm of the Church.*" Our members and their families are active in numerous ministries and other service organizations within the St. Bernadette community. It should be our goal to have every man in our Parish community become a member of the Knights of Columbus. We owe it to them to explain the benefits and joy they are missing out on by not becoming a member of our wonderful Council. I would ask each of you to make an effort to recruit a Catholic gentleman to join our great organization. Proudly wear your Knights of Columbus badge to mass and parish functions each week.

I also want to welcome our new Officers and members. I look forward to teaming with our new officers to identify programs which will support our Parish community. We have begun to plan activities including the Ice Cream Social and Installations of Officers over the next couple of months. Clearly this will all be dependent on whether our country can overcome the

horrible effects of COVID. As a result of this pandemic, we will continue to hold our meetings virtually until it is safe for our members to meet in person again. I would ask that you continue to stay safe by following the safety measures our health professionals have recommended.

I welcome your input and suggestions, please take time to help us make our council the best experience each of us should have. Please pray for me as I hope that God will provide me with the insight and knowledge to serve you in the manner you deserve. God Bless you All.

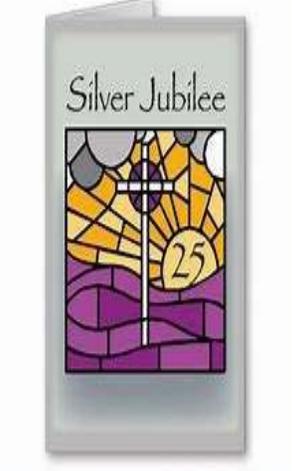

Vivat Jesus,

*Martin C Perez*

We would like to congratulate and thank Fr. Kline for his 25 years as a priest. His anniversary was June 3, and we wish we could have given him the party and celebration that he so richly deserves. We are ever thankful to have him as our Pastor and Shepherd at St. Bernadette. I, and I'm sure that I'm not alone, miss him very much. I pray that this covid-19 will be dealt with very soon so that everyone can return to Mass without any fear. God bless you, Fr. Kline

## Saint Jerome

(345 – 420)

**One side of a double-sided panel. Three saints in full figure – Saint Sylvester, Saint Jerome, and Saint Martin | anonymous**

### Saint Jerome's Story

Most of the saints are remembered for some outstanding virtue or devotion which they practiced, but Jerome is frequently remembered for his bad temper! It is true that he had a very bad temper and could use a vitriolic pen, but his love for God and his son Jesus Christ was extraordinarily intense; anyone who taught error was an enemy of God and truth, and Saint Jerome went after him or her with his mighty and sometimes sarcastic pen.

He was above all a Scripture scholar, translating most of the Old Testament from the Hebrew. Jerome also wrote commentaries which are a great source of scriptural inspiration for us today. He was an avid student, a thorough scholar, a prodigious letter-writer and a consultant to monk, bishop, and pope. Saint Augustine said of him, "What Jerome is ignorant of, no mortal has ever known."

Saint Jerome is particularly important for having made a translation of the Bible which came to be called the Vulgate. It is not the most critical edition of the Bible, but its acceptance by the Church was fortunate. As a modern scholar says, "No man before Jerome or among his contemporaries and very few men for many centuries afterwards were so well qualified to do the work." The Council of Trent called for a new and corrected edition of the Vulgate, and declared it the authentic text to be used in the Church.

In order to be able to do such work, Jerome prepared himself well. He was a master of Latin, Greek, Hebrew, and Chaldaic. He began his studies at his birthplace,

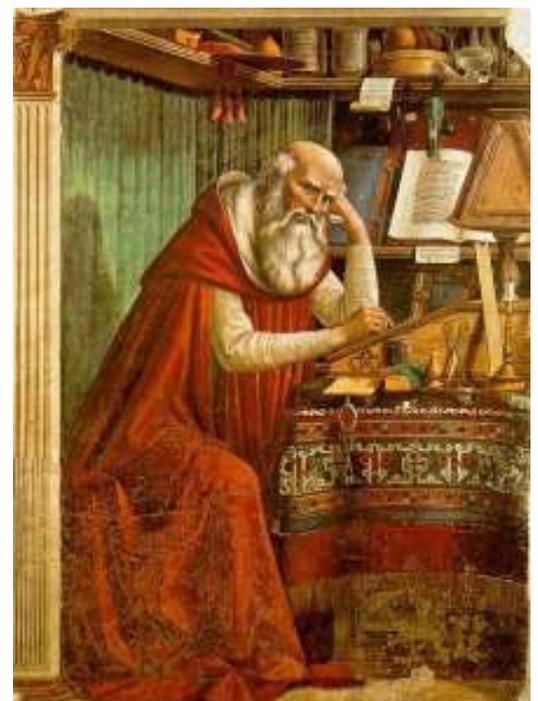

Stridon in Dalmatia. After his preliminary education, he went to Rome, the center of learning at that time, and thence to Trier, Germany, where the scholar was very much in evidence. He spent several years in each place, always trying to find the very best teachers. He once served as private secretary to Pope Damasus.

After these preparatory studies, he traveled extensively in Palestine, marking each spot of Christ's life with an outpouring of devotion. Mystic that he was, he spent five years in the desert of Chalcis so that he might give himself up to prayer, penance, and study. Finally, he settled in Bethlehem, where he lived in the cave believed to have been the birthplace of Christ. Jerome died in Bethlehem, and the remains of his body now lie buried in the Basilica of St. Mary Major in Rome.

### Reflection

Jerome was a strong, outspoken man. He had the virtues and the unpleasant fruits of being a fearless critic and all the usual moral problems of a man. He was, as someone has said, no admirer of moderation whether in virtue or against evil. He was swift to anger, but also swift to feel remorse, even more severe on his own shortcomings than on those of others. A pope is said to have remarked, on seeing a picture of Jerome striking his breast with a stone, "You do well to carry that stone, for without it the Church would never have canonized you" (*Butler's Lives of the Saints*).

### **Food for the Poor Project**

Good week to all our Volunteers,

It is easy to feel overwhelmed by what seems like a never ending stream of distressing news. Thank You all for the positive feeling that you bring to our friends at Chris Becker house, St. Vincent De Paul. We are all determined not to be swept up in negativity. We choose instead to take a stand and focus on the positive for the volunteer hours that we have done. Our first step is to surround ourselves with other positive people. With each other's support, we find it easier to stay positive. Our volunteer group believes that blessings are everywhere, and good can come out of everything with our good works. Thank you all for positivity as we share our talent in helping the poor.

**IMPORTANT:** FOLLOW CDC GUIDELINES WASH HANDS BEFORE AND AFTER PICKUP WEAR MASK (FOLLOW WHAT THE DOCTORS SAY).

Joke of the week: Did you notice the pastry factory is always hiring? They much have a high turnover rate.

Who shall resist Anti-Christ when he comes if we show such patience towards the vices and crimes of his precursors? By such leniency, we encourage kings to become tyrants and tempt them to withdraw every privilege and all jurisdiction from the Churches.

## Character:

Wilbur and Orville Wright are well known for carrying out the first successful flight at Kittyhawk in 1903. They came from a close religious family. Wilbur died at the age of 45. His father left a record of this tragic event in his diary.

**It reads: May 30, 1912**

***This morning at 3:15, Wilbur passed away, aged 45 years, 1 month, and 14 days. A short life, full of consequences. An unflinching intellect, imperturbable temper, great self-reliance and as great modesty, seeing the right clearly, pursuing it steadily, he lived and died.***

For Wilbur's father it was not his reputation of making the first successful flight that made him great, it was his fine character. Our reputation is important, but our character even more so; for our character is what we really are, our reputation is what others think we are.

**People see our faith and the reflection of our indwelling God in what we do and how we do it.....our character. It is what defines us. It is what people will talk about after we pass on.**

**What can we aspire to for the foundation of our character?**

*But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.*

~Galatians 5:22-23

Reputation is for time; character is for eternity.

# If Joe Biden Wins, Expect a Department of Planned Parenthood

**OPINION** FATHER FRANK PAVONE JUN 3, 2020 | 5:50PM WASHINGTON, DC

While watching the new PBS **documentary** "Created Equal: Clarence Thomas in His Own Words," – which I enthusiastically recommend — I was struck by the similarities between Justice Thomas's mistreatment during his confirmation hearings and the gauntlet Justice Brett Kavanaugh was forced to run through during his hearings nearly 30 years later.

At those hearings in 1991 and 2018, the issue that was most important to Senate Democrats was abortion.

*"Most of my opponents cared about only one thing," Justice Thomas says in the documentary. "How would I rule on abortion rights? You really didn't matter, and your life didn't matter. What mattered is what they wanted."*

For several days in a row, the Senate Judiciary committee, chaired by then-Senator Joe Biden, kept pressing Judge Thomas about his opinion on *Roe v. Wade*, 410 U.S. 113, saying that they could not believe his assertion that he had never debated or formulated an opinion on the contents of the decision.

In their book “Justice on Trial” (Regnery Publishing, 2019), authors Carrie Severino and Mollie Hemingway report in detail on the lunacy of the Kavanaugh confirmations, noting the following:

*“Among the many issues on the liberal wish list that cannot be achieved through democratic means, one in particular motivated the opposition to Kavanaugh: Abortion. It took over the entire confirmation process – from the nationwide speaking tour ‘Rise up for Roe’ to the laser-like focus on the two Republican senators who support abortion rights, Collins and Murkowski. Planned Parenthood and NARAL were there every step of the way, financing protesters, TV ads, and celebrity appearances.”*

Whether it’s in U.S. Supreme Court nomination battles, presidential campaigns, or their conduct when in control of the U.S. House of Representatives, observe closely the behavior of the Democratic Party. You’ll see that abortion is the sacred dogma and driving force behind everything else.

House Speaker Nancy Pelosi has even attempted multiple times to shove abortion funding in bills meant to help America overcome the coronavirus pandemic.

And all this explains why Democratic members of Congress, even during Republican-led hearings to investigate Planned Parenthood, will never utter a negative word about Planned Parenthood.

This organization, presenting itself as committed to “healthcare,” is actually a political machine pumping tens of millions of dollars each election year into Democratic campaigns, in order to keep abortion legal.

Planned Parenthood has invested all those millions because it expects a big payday.

They hope that payday could come in January.

If Democrats retake the White House and Senate, keeping control of the House, many in the anti-abortion movement expect that Planned Parenthood would become a cabinet-level federal agency, following a trajectory not unlike that of the Department of Veterans Affairs.

As the U.S. entered World War I in 1917, several different agencies began offering services to veterans — these included disability insurance and rehabilitation.

In 1921, Congress created the Veterans Bureau to combine those agencies, and in 1930, President Herbert Hoover elevated it to a federal agency “to consolidate and coordinate government activities affecting war veterans.”

President Ronald Reagan signed an executive order in 1988 to elevate the agency to cabinet level. His successor, President George H.W. Bush, said of the new department, “There is only one place for the Veterans of America, in the Cabinet Room, at

the table with the president of the United States of America.”

Substitute the word “women” for “veterans” and you’ll see the kind of glossy sheen Democrats would apply to a cabinet-level Planned Parenthood.

By this move, Planned Parenthood would do an end-run around two constant battles, that of funding or defunding the mega-abortion business, and that of having access to the public schools.

Taxpayers would be forced to fund abortion through all nine months of pregnancy and for any reason. Planned Parenthood — likely with a new, family friendly name — will take over school health departments and sex education programs will aim — as they do now — to ensure that every student will become sexually active as early as possible.

With Democrats in charge, socialized medicine in place and Planned Parenthood in the Cabinet, all of this is possible, and be assured that Planned Parenthood is already planning for such a reality. Why else would they continue building mega-abortion facilities even as the number of abortions plummets?

All of this would be happening now if Hillary Clinton had become our 45<sup>th</sup> president. Make no mistake that it would happen if a Democrat — any Democrat — becomes our 46<sup>th</sup>.

## ***Black Pro-Lifers Arrested for Praying at Planned Parenthood: “This is Bias Against Christians”***

**NATIONAL** MICAHIL BILGER JUN 12, 2020 | 1:06PM WASHINGTON, DC

Two pro-life women who were arrested outside a Manhattan Planned Parenthood in the midst of violent protests believe there is a “bias against Christians” who stand up for unborn babies.

Black pro-life advocates Bevelyn Beatty and Edmee Chavannes were arrested May 30 on the sidewalk outside the Margaret Sanger Planned Parenthood Center in Manhattan, CBN News reports.

The women allegedly were violating city social distancing guidelines because of the coronavirus and refused to leave the area. Beatty and Chavannes said they were social distancing while offering information and free resources to women.

They believe they were targeted for arrest because they are Christians. According to *FaithWire*, Beatty said she never has had a problem with police “until I started doing” pro-life outreach.

She criticized Mayor Bill de Blasio and Gov. Andrew Cuomo, both pro-abortion Democrats, for pushing an agenda, noting how police enforced coronavirus

**St. Bernadette Council 12164 480-905-0221**

restrictions against them but not the violent rioters during the George Floyd protests.

Beatty told Fox News: "This is a clear statement of their bias now. It's blatant now. It's really truly biased against Christians, against pro-life abolitionists."

"We feel like it's just another reason Mayor de Blasio and Governor Cuomo can just push this agenda because the reality is this: How is abortion essential? How are stores closing and we can't have Red Lobster and we can't go to church or fellowship but you can still go and kill a baby?" she continued.

Beatty and Chavannes, founders of At the Well Ministries, were handcuffed and arrested outside the abortion facility after they refused to leave, according to CBN News. They said they were standing legally on the sidewalk and not blocking the entrance.

They are scheduled to appear in court on Sept. 25.

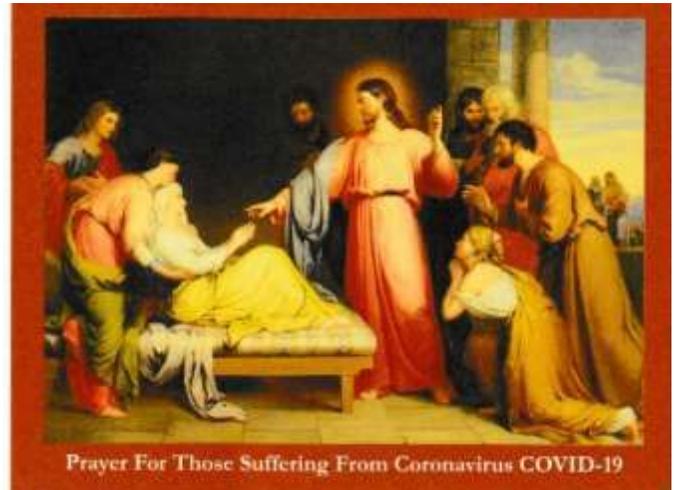

Fox News asked the New York Police Department for arrest records for Beatty and Chavannes, but the police said they did not have any. However, it is clear that they were arrested; the women posted a video online showing NYPD officers handcuffing them.

Beatty said they think authorities are trying to silence Christians through the coronavirus restrictions.

She also said she and Chavannes do not support Black Lives Matter because they work "hand-in-hand" with the abortion giant Planned Parenthood.

"They're fraudulent hypocrites ... and I believe all lives matter because God created them," she told Fox News. "There are thousands of George Floyds that die every day in their mother's womb and it's just as unjust as when he died at the hands of that police officer."

In the past three months, dozens of pro-life advocates have been arrested or cited while peacefully praying and reaching out to moms in need outside abortion facilities across the U.S. Many were accused of violating coronavirus health restrictions. Pro-life sidewalk counselors also were arrested or fined in San Francisco, California; Greensboro, North Carolina; Charlotte, North Carolina; Detroit, Michigan, Columbus, Ohio and Baton Rouge, Louisiana while trying to save unborn babies from abortions. Fortunately, some saw their charges dropped after filing lawsuits.

Prayer For Those Suffering From Coronavirus COVID-19

Almighty ever-living God, eternal health of believers, hear our prayers for your servants who are sick: grant them, we implore you, your merciful help, so that, with their health restored, they may give you thanks in the midst of your Church. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, one God, for ever and ever.

**We're on the Web!**

See us at:

[www.kofc12164.org](http://www.kofc12164.org)

My dear Brothers:

This July 2020 edition of *Le Chevalier* marks the first edition in the sixth continuous year of our newsletter. A stroll down memory lane will recall that Financial Secretary SK Michael Smalley was serving his second year as Grand Knight of Council 12164. I worked together with SK Roberto Pastrano and incoming Grand Knight, SK Gene Arvizu to prepare our first edition on July 1, 2015. It was a modest presentation, still stretching its legs to find ground. *Le Chevalier* has come a long way since then, and I sincerely hope that all of you read it, and find it both informative and entertaining. From the beginning, as the editor, I have attempted to include important dates and events for our Parish and our Council. I shall make every effort to continue providing pertinent information and interesting articles as we continue into the sixth year of our newsletter.

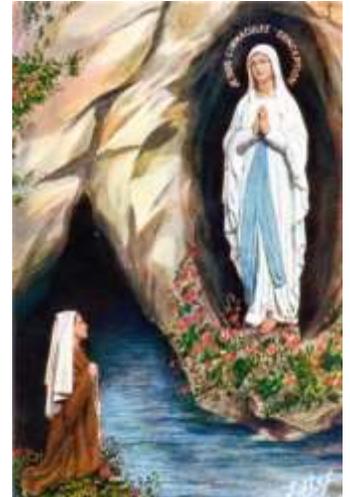

There are some Knights in the Council who have become Knights in the past five years and were possibly unaware of how recent *Le Chevalier* has been added to our Council's activities. That is one purpose of this "celebration," as it were, of its anniversary. Perhaps those same Knights aren't aware that I invite articles, which may be submitted for publication in the newsletter. If you have a particular area of interest, a suggested event, or anything that you think would be of interest to our membership, please feel free to submit it to me as a Word.doc for publication. Please limit your articles to 500-700 words or so, and submit them by the 20<sup>th</sup> of the month so that I may edit them into the next publication on the 1<sup>st</sup> of the next month. If you have pictures to accompany your article, please submit them as well in jpeg format.

The covid19 pandemic has limited our activities, but we're still here. We hope to become active with family friendly and fun-filled events soon. We're still looking for Catholic gentlemen who would like to join us in serving our Parish and Council. If you know someone who fits that description, please ask him to join us.

Vivat Jesus!

Fraternally,

SK Jerv Wood, Editor
